

FAQ

Renting a boat from Willem III

Willem 3 works together with the Head committee to find a boat for crews who request one. Willem 3 members have priority, but generally we have 3 eights and 3 quads/fours available to rent in each start. We can't guarantee a specific boat, so please don't ask if it is a Vespoli or an Empacher – the boat assignments change as the schedule fills up. We give you the best boat we have available for your crew. Small / lightweight crews may want to bring seat cushions and small shoes for inside big shoes.

What is included?

- Oars/sculls
- Quads/fours/eights have speakers
- BRING your own Coxbox
- BRING your own Cox / Coxswain Occasionally we can help find a cox looking for more experience, but on big race days – everyone is busy!
- Renting is from dawn to dusk unless special arrangements are made.
